

October 2011.

Dear Sir / Madam,

Thank you for your request for information on our school.

For next school year (2012-2013) we welcome children born in 2007, 2008 and 2009, in an attempt to create, as far as possible, two classes of children from each of the three age groups.

Our school is a 'micro-society' in which the younger and the older children will learn and work together, experiencing stimulating learning activities at their own pace.

If you are interested in visiting the school you can contact us by telephone. In order to enroll you child you will be required to forward to us the following documents:

- The inscription forms titled 'application form' and 'general information'
- One passport sized photograph of your child
- Child's birth certificate or a copy of the 'livret du famille'
- School insurance policy
- Payment of enrollment fee (150 euros)

In April we will know the number of places available for September 2012 and will inform the parents whose application we have received.

We hope very much to welcome your child and accompany him/her through his/her first school years.

Christine Breuil
